Industries (Kanyakumari district)

* 2166 *Q.*—SRI T. T. DANIEL: Will the Hon. the Minister for Home be pleased to state whether there is any proposal to start the following industries in the Kanyakumari district:—

(i) Making brush out of palmyra products;

(ii) titanium industry;

(iii) rubber industry; and

(iv) boat making.

THE HON. SRI M. BHAKTAVATSALAM: The Madras State Palm Gur Co-operative Federation has proposed to start a brush making unit out of palmyrah fibre near Colachel.

Another proposal to construct a permanent boat building yard at Colachel is also under consideration.

There are no other proposals.

SRI T. T. DANIEL: In view of the fact that Ilmenite is available in plenty in that district and also rubber is being produced, will the Government think of starting the titanium industry and also the rubber industry?

THE HON. SRI M. BHAKTAVATSALAM: I have just now stated that there is at present no such proposal.

SRI T. T. DANIEL: May I know whether the Small-scale Industry Committee which visited that district, have recommended that there are possibilities for starting these four industries in that district?

THE HON. SRI M. BHAKTAVATSALAM: I have no information. I would like to have notice.
